**DESCRIPTION BOOK :** A poignant, heartfelt new novel by the award-nominated author of *Together Tea*—extolled by the *Wall Street Journal* as a “moving tale of lost love” and by *Shelf Awareness* as “a powerful, heartbreaking story”—explores loss, reconciliation, and the quirks of fate. With a sorrowful heart, she moves on—to college in California, to another man, to a life in New England—until, more than sixty years later, an accident of fate leads her back to Bahman and offers her a chance to ask him the questions that have haunted her for more than half a century: Why did you leave? Where did you go? How is it that you were able to forget me? [Read more](#)
